We invite all interested local businesses, organizations or community members to join us and sign up for the contest. The contest is free to enter, you only need to provide the decoration supplies. The light pole will help dress up our community for a festive atmosphere.

- Decorations must be able to withstand strong winds and unpredictable weather conditions.
- Decorations should not block the sidewalks or street traffic in any way.
- Decorations should be no more than 5 feet and you cannot use any electric off the poles.
- Please do not cover any signage (e.g. parking signs) on the poles.
